Welcome to Our Practice!

We are committed to providing exceptional dental care to our patients in a compassionate, professional environment. The following information is provided to introduce you to our practice philosophy and policies.

Appointments and Cancellations

Appointments are scheduled so we can provide the most efficient care in a relaxed setting. We make every effort to honor time commitments and we appreciate patients extending us the same courtesy. Patients are reminded of their appointments 2 days in advance phone. Patients are kindly asked to confirm their appointment at least 2 business days prior to their appointment. Patients who do not provide two business days notice of cancellation may be charged a fee.

New Patient Appointments

We reserve 90 minutes for each new adult patient visit and 60 minutes for each new child visit. This allows time for us to listen to patient concerns and to properly diagnose and develop appropriate treatment plans.

Continuing Care

Our practice is focused on prevention and maintaining optimum oral health. We recommend comprehensive treatment and continuing care on an appropriate recall schedule.

Urgent Care After Hours

We accommodate patients of record who experience dental emergencies after hours. A patient of record is one who has been seen and treated in the office during the past 18 months. If you are a patient of record and have a dental emergency, you can call the office for information on how to contact us.

Children and Adolescents

We are happy to start seeing children at the age of One. Parents are welcome to accompany their children in the operatories. We require that parents remain in the office with children under the age of 18 for the entire appointment. Failure to comply may result in the appointment being rescheduled.

Payments and Insurance

Payment for treatment is due and payable the day services are rendered. It is our goal, however, to assist all of our patients in obtaining the dental treatment they deserve. As a result, we offer several payment options, including cash, check, credit card, and third party financing. For patients with dental insurance, we will file the appropriate claim forms.

Financial Guidelines

Payment for treatment is due and payable the day services are rendered. It is our goal, however, to assist all of our patients in obtaining the dental treatment they deserve. Therefore, we are pleased to offer several payment options. Please read the following carefully. Our financial coordinator will answer any questions you may have, and assist you in selecting the appropriate financial plan for your needs.

For your convenience, we offer the following financial options:

1. In addition to personal checks and cash, we also accept payment through MasterCard/Visa, American Express, and Discover.

2. CareCredit Card

CareCredit is a healthcare credit card designed for your health and wellness needs for you and your entire family. To learn more about this financial option please contact our front office for more information.

3. Dental Insurance

We are happy to file insurance claims and assist you in obtaining the maximum benefits specified in your contract. However, please keep the following in mind:

- Your insurance is a contract between you, your employer, and your insurance company. We are not a party to that contract. We will do our best to ESTIMATE your coverage, and file your insurance on your behalf. Not all dental services are necessarily covered under your dental insurance plan. It is essential that you read and understand your coverage and pay special attention to any preauthorization requirements, exclusions and waiting periods.

- Our office policy states that you are totally responsible for your bill. The ESTIMATED patient portion of the fee is due at the time of service. If a balance remains after we receive payment from your insurance carrier within 30 days we will notify you. Failure of your insurance carrier to reimburse our office within 30 days will result in our billing you directly for the remaining balance.

- Our participation in a Preferred Provider Organization (PPO) is a contract between this office and the organization to provide dental services for the negotiated network fee schedule. Individual coverage and benefits will vary within the organization and are dependent on the contract between you, your employer and the insurance company. While we guarantee our fees will not exceed the network fee schedule, we cannot be responsible for variances in coverage and benefits within the PPO.

- If your coverage changes for any reason, please notify the office immediately

By signing this form, you have read and understand our policy. Any denials or insurance payments less than estimated will be your responsibility. Payment will be due upon our billing cycle. All estimated out of pocket fees and deductibles are due the day of treatment. Ask our office regarding our financial options before your visit, or if you have any questions regarding your insurance and our policy.

I have read the Financial Policy. I understand and agree to this Policy.
